Dear Friends,

What a busy summer we've had here in our Island Paradise – the scorching summer has meant that we have all been rushed off our feet picking, packing, cultivating and growing, whilst at the same time we've been delighted that a record number of you managed to visit us here at Churchtown Farm. We've said it before, but it is always so lovely and interesting to meet and talk with our customers – and especially to hear how delighted you are with our service and flowers.

Some of you who have ordered by phone this summer will have had the good fortune to speak with Martin who came to work for us in order to escape the pressures of his career as a professional cameraman. Fortunately, you can't keep a good man down and Martin has spent a considerable amount of time filming us all for "A year in the life...". Hopefully by next summer visitors to our farm will be able to watch a personal DVD of just how much goes into producing the best quality scented flowers to send all around the country.

And for those of you who are unable to make it over to our beautiful islands, why not take a look at our **brand new website** at **WWW.SCILLYFLOWERS.CO.UK**. We have made the site easier to use as well as including lots of pictures and information about the flowers, farm, islands and ourselves! Keep an eye on the website, because we hope to include some video of our farm in the near future. We hope that you enjoy the site and please let us know if you have any suggestions on how we can improve it.

With Christmas coming we are all busy gearing up for our most hectic time of year. This year we expect to deliver around 19,000 boxes of our Scented Narcissi anywhere from the Shetland Islands to Belfast to Land's End in time for Christmas. Sue is busy making sure that our office staff are ready and prepared to help you with your orders seven days a week – this year she will even have extra phone lines to make sure that everyone can get through. Will is already up to his ears making sure that he has enough boxes, flowers and packers to send out your floral gifts whilst Jackie is frantically putting up Christmas decorations because she is worried we won't have time in December! Meanwhile, the rest of us have been arranging the special Royal Mail ships and lorries that will carry the flowers from our little Island all over the country to your friends and loved ones.

Special Offer For Christmas - every Christmas lots of you are concerned that your flowers may be delayed in the Christmas post or that your friends and family will be away from home over the Christmas period. Our suggestion is: **why not send flowers for the week before Christmas?** This year we are glad to offer this peace-of-mind solution with a **5% discount** for all orders delivered between the 12th and 16th December only. Be quick though, we only have a limited number of flowers available for this week – so it's first come, first served! If you wish to take advantage of this offer, just call us on the number below or order online using the offer code '**CHR06**'.

More Good News - We're delighted to say that we are **keeping our prices the same for the third year in a row**, to make sure that you are getting the best possible value. And on top of that, don't forget that all our flowers come with the **Churchtown Farm Guarantee** of satisfaction – if you do have any problem with your flowers, just get in touch and we'll be happy to replace them.

Best Buy Bouquets - Designed and hand made by Zoë, our **seasonal bouquets** are a great choice for Christmas. With (amongst others) vibrant lilies and roses, stunning chrysanthemum, luxuriant hypericum berries and exotic foliage they are truly exceptional value. With bouquet prices starting from just £22 we just can't be beaten for that perfect gift at Christmas – or at any other time!

Remember, all of our prices include delivery by First Class Royal Mail, gift packaging and ribbons, flower food and your own personal message on a pretty card.

All that remains is for us to wish you a very Happy Christmas and a peaceful New Year with love from

Hilary, Andrew, Zoë, Ben - and of course, Rosie and Piran - oh, and Tean the dog!
