SEND SCENT FOR CHRISTMAS WITH A DIFFERENCE

Give the gift of scent which is sure to get a warm reception when given for Christmas this year - forget trawling perfumeries for the perfect scent to show someone you care, why not give them the real thing – beautiful scented narcissi flowers from the Isles of Scilly.

The perky bright-yellow little flowers, like little clusters of stars, are a refreshing alternative to traditional Christmas plants. They brighten your home and fill it with the sweet smell of spring – a welcome treat for the senses in the middle of winter.

Usually not seen in the shops until the Spring, scented narcissi are available from the Isles of Scilly mail-order flower company **Scent from the Islands** from the end of September thanks to the milder climate enjoyed by the cluster of islands which lie 26 miles from mainland Cornwall.

The perfect gift solution for that member of family or friend that has everything, Scent from the Island posy packs start at £8.50 up to £17.50 for a pack of 60 stems, which will provide a stunning display of around 420 individual flower heads.
